Este libro incluye una colección de ensayos escritos por académicos, activistas y profesionales que reflexionan sobre avances y desafíos críticos en las áreas de género y sexualidad, y sus vínculos con el derecho internacional y los derechos humanos. Las feministas han intervenido durante mucho tiempo para promover los derechos de las mujeres, la igualdad sustancial y la erradicación de la violencia de género utilizando el derecho internacional como una herramienta importante, a través de acciones políticas y el litigio de casos ante los sistemas universales y regionales de derechos humanos y otras estrategias. La comunidad LGBTIQ+ también ha inyectado una perspectiva queer al derecho internacional. Por ello, en este volumen, una diversidad de académicos y activistas discuten cuestiones fundamentales del derecho internacional y las exploran desde una perspectiva feminista, queer o de género y de derechos humanos. Los ensayos promueven una rica discusión sobre temas críticos como los relacionados con la discriminación interseccional, la violencia contra las mujeres y las personas LGBTIQ+, los derechos sexuales y reproductivos y los desafíos para proteger los derechos humanos en situaciones de conflicto armado y contextos de crisis.

AY

LD

Lisa Davis

Lisa Davis is a Professor of Law and Special Advisor on Gender Persecution for the International Criminal Court Prosecutor. Professor Davis is also Co-Director of the Human Rights and Gender Justice (HRGJ) Clinic at the City University of New York (CUNY) School of Law (HRGJ Clinic). Davis serves as the Senior Legal Advisor for MADRE, an international women's human rights organization. Davis has written and reported extensively on international human rights and gender issues, including women's rights and LGBTQI+ rights, focusing on peace-building and security issues in conflict and disaster settings. The authors would like to thank Patricia Viseur Sellers for her invaluable comments on this chapter. The authors also thank JM Kirby and Diana Duarte for their editorial assistance.

DB

Danny Bradley

Danny Bradley is the Global Campaigns Officer for MADRE, where his work supports advocacy initiatives that defend the rights of women, LGBTQI+ persons, and other marginalized groups. Bradley's work also focuses on the inclusion of gender justice and documentation of gender-based crimes in international, national, and transitional justice processes and human rights mechanisms
