Endangered mammals. Among anteaters, sloths and armadillos

Autor

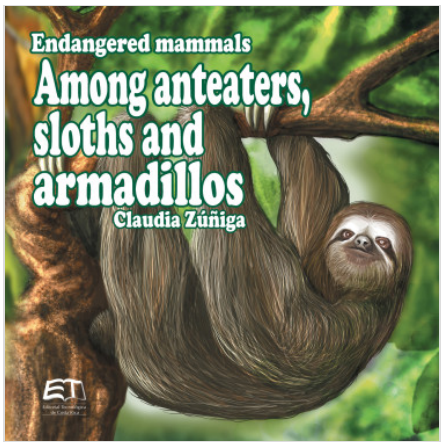

Claudia Zúñiga-Vega

Sinopsis

This book is aimed at readers interested in protecting endangered mammals. It emphasizes the importance of identifying these animals to effectively conserve them, particularly focusing on those inhabiting the jungles and forests of the American tropics. The author aims to educate readers about these fascinating creatures, including their classification, preferred habitats, diets, family life, and natural predators. By increasing awareness and understanding, the book seeks to inspire conservation efforts to ensure future generations can also experience these animals in the wild, rather than solely through media sources.
