Sinopsis

This book presents the doctoral classes taught by five distinguished national and foreign research professors, between 2016 and 2019, in the Doctorate in Language and Culture of the Pedagogical and Technological University of Colombia (UPTC). Their reflections on topics such as image, film, political discourse, and didactics in language teaching focus specifically on the fields of language, communication, and culture, and on disciplines, such as discourse analysis, semiotics, pragmatics, and language didactics.
